

Introducing: InstaCare

at Landmark Medical Center's Emergency Department

This *new "innovative"* process will provide....***Complete Emergency Care ...NOW!***
In life's emergencies the last thing you want to decide by yourself is where to go.
Be confident that at Landmark you will be going to the best complete emergency care available.

Landmark Medical Center's **InstaCare** *program offers expert care with top quality staff and minimal waiting.* With "new" processing procedures, Landmark will assure that patients are seen in the fastest possible way providing quality level hospital care.

Key ingredients of the program:

- Minimal Waiting
- Top Quality Hospital Staff
- 24-Hours Emergency Care

During the month of October we will be testing this model prior to implementing a comprehensive marketing campaign promoting **InstaCare** to the community.

InstaCare ... just another reason to be.....

Proud

to be **Landmark**
